

PROSOL

Multi-purpose cleaner/degreaser

Description

PROLAB's PROSOL is a multi-purpose cleaner/degreaser with exceptional properties resulting from its exclusive formula with concentrated cleaning agents.

Characteristics and Benefits

PROSOL's powerful cleaning action makes it the multi-purpose cleaner/degreaser ideally suited for both general maintenance and industrial applications. Its excellent stain-removing properties allow it to easily dispose of all types of dirt, grease or oil stains. It is easy to rinse and while it leaves no residues there remains a bright and glossy finish.

PROSOL is Multi-Purpose and Economical:

it can be used pure or diluted up to 64/1 and is ideal for all cleaning/degreasing needs from the most demanding jobs to general purpose chores allowing for considerable inventory reduction of all sorts of cleaning products.

Types of Application

PROSOL multi-purpose cleaner/degreaser is a must for the workshop as well as in all types of businesses.

Directions for Use

PROSOL can be used pure or diluted (see the dilution ratio chart below), by hand or in a pressure cleaner.

Warning

PROSOL must be stored at room temperature above 5°C.
Do not use on glass.

Available Sizes

500 ml, 1 L, 20 L, 55 L, 205 L

Product Code

797

| Characteristics | ASTM Test | Typical Values |
|--------------------------|-----------|------------------------|
| Freezing Point | | 0°C |
| Specific Gravity at 15°C | D4052 | 1,0 gr/cm ³ |
| Ph | | 12,5 |
| Viscosity à 25°C | D445 | 2,3 cSt |
| Dilution | | |
| - Heavy Degreasing | | pure to 5/1 |
| - Average Cleaning | | 32/1 |
| - Light Cleaning | | 64/1 |
